# Risks & Observations

---

- North dependency: North contributes 41% of revenue.
- West is smallest region (145,100), but growing steadily.
- East saw a dip in Feb, recovered in Mar (+14.3%).
- Customer acquisition cost may rise as we scale.

# Next Steps

---

- Diversify revenue: Launch targeted campaigns in West and East.
- Replicate North's playbook in other regions.
- Investigate February dip in East to prevent recurrence.
- Review pricing strategy for Q2 to optimize margins.
