Total	10047.5	14160	16832.5	41040

Cleaning notes for orders_clean.xlsx:

1. Dropped 1 junk 'TOTAL' row (non-numeric order_id).
2. Dropped 2 rows with blank amounts (order_id 2001, 2002).
3. Dropped 1 row with blank date (order_id 2002, already removed above).
4. Removed 2 duplicate orders (order_id 1005 and 1017 — kept first occurrence).
5. Parsed dates in three formats (YYYY-MM-DD, MM/DD/YYYY, DD Mon YYYY) into a single datetime.
6. Normalised amounts: removed currency symbols (€, \$) and thousands separators, converted to numeric.
7. Normalised region names: stripped whitespace, applied title-case (e.g. 'east ' → 'East').

Total rows removed: 5

Clean rows in Data sheet: 48

Original rows (excluding header): 54
